

FS-315/530/860

FASHION SPEAKER

The FS Series is designed for visual appeal yet has the capabilities in producing quality sound reproduction. These head turning speakers provide high quality sound and reliable performance for places like restaurants, retail outlet, shopping malls and boutiques. Each model is equipped with different polypropylene speaker, depending on their size for low and medium frequencies. Additionally each model comes with a 1 inch tweeter dedicated for higher frequencies. Design with user friendly functionality in mind, each unit comes with a U-shaped swivel bracket to enable easy orientation. These units comes with a rotating switch to allow easy election of power.
